Section 6: Early Intervention Services

Early Intervention services may be provided by a primary service provider (PSP) or a secondary service provider (SSP). The PSP directly assists/serves the family at all visits to support the outcomes and promote child learning and development. SSPs periodically support the PSP and family with the IFSP outcomes through joint visits. Joint visits occur as often as necessary based on the needs of the PSP and family. In addition to your provider(s), you always have access to a full team of EI providers available to support your family.

Using all the information available, the IFSP team has identified the following EI services to support our outcomes:

Date of IFSP:

EI Service Type	Method	Location	Frequency	Session Length	Provider Agency	Funding Source	Projected Start Date*	Projected End Date	Outcome Number(s)
☐ PSP ☐ SSP							☐ New Service		
☐ PSP ☐ SSP							☐ New Service		
☐ PSP ☐ SSP							☐ New Service

*If any new or changed service is projected to occur within 10 days of this IFSP meeting, see the "Waiver of Timeline" within Section 8 of the IFSP
